F#
The earth collapsed
F#sus/C# -Dmaj7
As Jesus took his final breath
F#
The sky went black
F#sus/C# -Dmaj7
As he surrendered unto death
Bm
And like a father tears his garments
F#m
At the death of his son
Bm
So the Father tore the veil
F#m E
When He said It is done

D
Behold the Lamb of God
E A/C# D
Who takes away the sin of the world
D
Behold the Lamb of God
E F#m
Who takes away the sin of the world
D
Far as the East to West
E
He chooses to forget
F#m
Our sin remembered no more
D
Behold the Lamb of God
E F#m
Who takes away the sin of the world

The heavy stone

Rolled as if it had no weight
The Son of God
Could not be held in any grave
And all the powers of darkness
Trembled in his light
And all the saints and angels
Shouted He is alive

**Behold the Lamb of God
Who takes away the sin of the world
Behold the Lamb of God
Who takes away the sin of the world
Beneath a tide of grace
Our debt has been erased
Our sin remembered no more
Behold the Lamb of God
Who takes away the sin of the world**

D
Far as the East to West
E
He chooses to forget
F#m A/C#
Our sin remembered no more
D
Beneath a tide of grace

Our debt has been erased
F#m A/C#
Our sin remembered no more
D
Our resurrected King
E
Now stands in victory
F#m A/C#
All that was lost will be restored
D
He's coming back again
E
And we will rise with him
F#m A/C# [2nd x – A]
And sin and death will be no more
