Oh, let this grateful heart ever be at a loss

D
To describe all You've given to me

Oh, let my every breath, be exhausted and spent,

D
In response to what I don't deserve

Your grace, so marvelous, all-sufficient and free
Bm F#m D E D
Is more, more than enough to redeem and rescue me

Oh, let Your sacrifice, ever capture my thoughts,
Like an anchor, lest I should forget
Oh, let the precious blood, that has purchased my life
Never be less than my everything

Oh, let this song of praise ever rise from my lips
From this moment 'til we're face to face

Oh, let it then be heard in my lou - dest re - frain

A/E E D
Thank You Lord, that You saved even me
