INTRO: Bb Dm C Bb Dm C

F/A Bb Dm C/E
O say among the nations, The Lord Almighty reigns
F/A Bb G/B C
Who with a whisper spoke the glowing galaxies in place
A/C# Dm Bb F/A Gm
Who stirred the lifeless waters into teeming ocean waves
F/A Bb Dm C Bb
Then with a breath gave life to dust, Almighty is His name

O say among the nations, the King is on his throne
Our Great Defender rules the earth with justice and with hope
While all the other gods of men are helpless wood and stone
Who is the King victorious? Our God and God alone!

INTRUMENTAL: F/A Bb Dm C/E

O say among the nations, the Christ has come to save
How sin and death must tremble at the mention of his Name
He shattered Hell's dominion when He broke out of the grave
And swung the gates of Heaven wide to welcome home the saints

O Say among the nations, all you who know His voice
The Savior freely gives a peace that fear cannot destroy
He meets a thousand sorrows with a hundred thousand joys

His perfect love will be our song

Both now and ever more
