INTRO/TURNAROUND: G Am Em C

G Em  
In your presence, my affections

C Dsus D  
Are pouring out all for you

G Am Em  
In your presence, my defenses

C Dsus D  
Are crumbling down, I'm safe in you

C G Em D  
**My hiding place where my heart is free**

C G Dsus D  
**Held beneath the shadow of your wings**

C D Em C C D-Em C  
**God I rest in your control, sanctuary for my soul**

In your presence, no pretending  
No secrets now, you know the truth

C G Em D  
**My hiding place where my heart is free**

C Em Dsus D  
**Held beneath the shadow of your wings**

C G Em D  
**My rock, my strength, singing over me**

C Em Dsus D  
**And quieting the chaos as you speak**

C D Em C C D-Em C  
**God I rest in your control, sanctuary for my soul**

G Am Em C  
Your goodness, my fortress

G Am Em C  
All I ever need, all I ever need
