The Love of God

By Stephen Miller & Frederick Lehman From the album Liberating King, Copyright Stephen Miller Ministries, LLC. CCLI # 7024961 | Scriptures: Ephesians 3:18, Revelation 4:8

The love of God, is greater far

Than tongue or pen could ever tell

It goes beyond the highest star

And yet it reaches deeper still

Am

Though generations will pass away

And earthly kingdoms will fall

Am His boundless love shall never fade

In valley low or mountains tall

Amazing Love, How Rich and Pure

How Measureless and Strong

From age to age It will endure

And will ever be our song

Could we with ink the oceans fill And were the skies of parchment made Were every stalk on earth a quill And every man a scribe by trade To write the love of God above Would drain the oceans all dry Nor could the scroll contain the whole Though it be stretched from sky to sky

G Am

The saints and angels will never stop singing

To tell your perfect love

Oh can you hear, our anthem is ringing

We can't get loud enough
